

Feeder Cattle and Slaughter Cattle

Farm Income Stabilization Insurance Program 2022

Event Reports

Starting in 2022, whether for the insurability or the traceability of your herd, it will be easier to report your events to a single agency, namely Attestra.

Declaration of entry and exit – live basis

Current situation with FADQ	Current situation with Attestra	Situation starting in 2022 with Attestra
<ul style="list-style-type: none"> • Births • Purchasing • Sales on a live basis • Mortalities • Replacements <p><i>Individual or average weights must be reported for all types of live animal transactions including births.</i></p>	<ul style="list-style-type: none"> • Births • Purchasing • Sales on a live basis • Mortalities • Replacements 	<ul style="list-style-type: none"> • Births • Purchasing • Sales on a live basis • Mortalities • Replacements <p><i>Individual or average weights will have to be reported for all types of live animal transactions, except for births.</i></p>

Slaughter

Current situation with Les Producteurs de bovins du Québec (PBQ)	Situation starting in 2022 with Attestra
<ul style="list-style-type: none"> • Direct sales to slaughterhouses in and outside Québec <ul style="list-style-type: none"> ○ Invoices and slaughter forms 	<p><i>It is the responsibility of Québec slaughterhouses to transmit slaughter data to Attestra.</i></p> <p><i>The PBQ will ensure the continued transmission of slaughter data outside Québec to Attestra as an agent.</i></p>

Supporting documents

Current situation with FADQ	Situation starting in 2022 with FADQ
<p>These documents must be provided to us systematically:</p> <ul style="list-style-type: none"> • Live animal declaration form • Transaction invoice • Proof of individual weighing (fully empty/truck) <ul style="list-style-type: none"> ○ Auction/broker purchases from Québec ○ Auction/broker purchases outside Québec ○ Purchases from Québec feeder cattle producers ○ Buying/selling between producers insured at BOU ○ Sales of breeding stock 	<p>Transaction invoices and proof of individual weighing (fully/empty truck) must be provided to us only for the following transaction types:</p> <ul style="list-style-type: none"> ○ Auction/broker purchases outside Québec ○ Sales of breeding stock ○ Broker sales outside Québec <p><i>For other types of transactions, supporting documents may be requested when checking one or more transactions.</i></p>

Transmission deadlines

Current situation with penalties	Situation starting in 2022 with Attestra – without penalty
<p style="text-align: center;">FADQ</p> <ul style="list-style-type: none"> • For births, within 45 days of the date the animal theoretically reaches 318 kg (700 lbs). • Purchases - sales on a live basis, within 45 days of the transaction. <p><i>If the deadlines are not met, penalties will be applied to the insurable volume.</i></p> <p style="text-align: center;">Attestra</p> <ul style="list-style-type: none"> • For births, within 7 days of birth or 5 months if the calf is born on pasture and kept with the mother. • For entries and exits, within 7 days of entry or travel. <p style="text-align: center;">PBQ</p> <ul style="list-style-type: none"> • Direct sales to slaughterhouses in and outside Québec • March 31 of the following year <p><i>If the deadline is not met, the participant loses any right to compensation, but must pay the contribution.</i></p>	<ul style="list-style-type: none"> • For births, within 7 days of birth or 5 months if the calf is born on pasture and kept with the mother. • For entries and exits, within 7 days of entry or travel.
